## CERTIFICATE OF ANALYSIS

|                           |                                                     |                  |            |
|---------------------------|-----------------------------------------------------|------------------|------------|
| <b>Product Name:</b>      | 4-(Chlorodifluoromethoxy)aniline                    |                  |            |
| <b>Molecular Formula:</b> | C7H6ClF2NO                                          |                  |            |
| <b>Molecular Weigh:</b>   | 193.58                                              |                  |            |
| <b>Batch No.:</b>         | CF20260311001                                       | <b>CAS No:</b>   | 39065-95-7 |
| <b>Mfg. Date:</b>         | 2026-03-11                                          | <b>Quantity:</b> | 100kg      |
| <b>Date of Report:</b>    | 2026-03-11                                          | <b>Package:</b>  | Drum       |
| <b>Expired Date:</b>      | 2028-03-10                                          |                  |            |
| <b>Item</b>               | <b>Specifications</b>                               | <b>Results</b>   |            |
| <b>Appearance</b>         | Colorless to yellow liquid                          | Yellow liquid    |            |
| <b>Purity</b>             | ≥99.0%                                              | 99.8%            |            |
| <b>Single impurity</b>    | ≤0.5%                                               | 0.07%            |            |
| <b>Water content</b>      | ≤1.0%                                               | 0.02%            |            |
| <b>Conclusion</b>         | The test results conforms with enterprise standards |                  |            |
